

Arizona-Mexico Commission

Water Action Items

◆ Item 1 Objective

To protect the recent upgrades to the Nogales International Wastewater Treatment Plant, a source characterization of bi-national wastewater discharges will be performed and an action plan developed to address any issues

◆ Status

- ✓ Wastewater characterization and report has been completed
- ✓ Corrective actions to improve water quality are being taken
- ✓ Hans Huth and Veronica Meranza

Arizona-Mexico Commission

Water Action Items

◆ Item 2 Objective

To address trans-boundary flooding impacts at Alamitos Wash, the AMC will coordinate with relevant local, state, and federal agencies from both sides of the border to recommend appropriate actions and identify any additional resources that may be needed

◆ Status

- ✓ A bi-national meeting was held in Douglas to discuss the flooding history of the region
- ✓ Potential solutions are currently being explored
- ✓ Data gathering is still underway
