Re: Request for Extension of Comment Period Regarding the Reallocation of Non-Indian Agricultural (NIA) Priority CAP Water – Proposed Process and Evaluation Criteria

Dear Ms. Ferris

We have received your October 10, 2012 letter requesting that the Department extend the deadline for comments regarding the above referenced NIA water reallocation process. We understand that the AMWUA cities would like additional time to evaluate the proposed criteria and process before determining whether to provide additional comments. Given the complexity of the issues involved, the Department agrees to extend comment period through November 9, 2012.

Sincerely,
