Dear Ms. Erwin:

The Arizona Game and Fish Department accepts your offer to participate as a cooperating agency in the preparation of the draft Environmental Assessment for the proposed fish barrier in Redfield Canyon. We look forward to helping review and provide recommendations on administrative (preliminary) drafts of this document prior to public distribution. We request that you provide us advanced notice on the anticipated availability of those draft copies and adequate time for a thorough review so that we can provide substantive and constructive comments.

If you have any questions, you may contact Jeff Sorensen at [REDACTED] or by email: jsorensen@azgfd.gov. Thank you.

Sincerely,

Michael J. Senn
Assistant Director, Wildlife Management Division
