Mary,

Thanks for setting this up. I will only be available for about 1 hour. I will have to leave the conference call at about 10:10 am to pick up my son from school (he hurt his back and so cannot ride his bike this week).

**Subject:** Muleshoe Conference Call, Wednesday May 18, 9:00 a.m.

Everyone:

Per my previous email, we'll be having a conference call to discuss the translocation of spikedace and loach minnow into Redfield Canyon this Wednesday, May 18, at 9:00 a.m. I did not receive any additional agenda items, so that leaves us with the following two:

- 1) Success of the effort, specifically in Redfield Canyon (focusing on numbers of fish found during monitoring, as well as suitability of habitat)
- 2) Concerns regarding numbers of native, nonlisted fishes

The call-in information is as follows:

Call Number: 

Passcode: 

Please let me know if you will NOT be on the call, so that we don't hold up the call for you.

Thanks,
