

Payment.

Act, the Secretary of the Treasury is authorized and directed to pay, out of any money in the Treasury not otherwise appropriated, to Jeffersonville Flood Control District, Jeffersonville, Indiana, a municipal corporation, the sum of \$53,099.56. Such sum represents the cost of acquiring an alternate right-of-way for the construction of flood-protection works, the original right-of-way acquired by such district having been taken by the United States for the use of the Department of the Navy, and the Department of the Navy having imposed restrictions making it impossible to construct flood-protection works upon a right-of-way which, pursuant to a stipulation, the Department of the Navy agreed to convey to such district as compensation for the right-of-way taken by the United States. The payment of such sum to such district shall be in full settlement of all claims of such district against the United States on account of complying with the provisions of section 2 of this Act and on account of the taking of such original right-of-way by the United States in proceedings in the United States District Court for the Southern District of Indiana, New Albany Division, entitled "United States of America against 27.02 acres of land, in Jeffersonville, Clark County, Indiana, Howard Shipyards and Dock Company, et al., Civil No. 80", and entitled "United States of America against 15.77 acres of land, more or less, in Jeffersonville, Clark County, Indiana, Dollie Hoffman, et al., Civil No. 92".

Written notice to Secretary of Treasury.

SEC. 2. The Secretary of the Navy shall give written notice to the Secretary of the Treasury that the Jeffersonville Flood Control District has complied with the provisions of this section whenever such district has, in such manner as is satisfactory to the Secretary of the Navy, conveyed to the United States all right, title, and interest which it may have in and to the naval property in Jeffersonville, Clark County, Indiana, particularly described in a proposed grant of easement signed on the 13th day of August, 1943, by which the United States proposed to grant and convey to Jeffersonville Flood Control Commission, Jeffersonville, Indiana, its successors and assigns, a perpetual easement to construct, operate, and maintain a flood-protective system on the two sections of naval property described in such proposed grant of easement.
