Dear Rosemary:

In response to your request for additional documentation on Certificate of Water Right No. 33-84222, I have enclosed a copy of the deed which transfered the interest in state leased property from E. G. Salazar to the Defenders of Wildlife Trust. Please note the site of this water right is on what was at the time of this transfer state land. I have also enclosed a fully executed Assignment of Water Right form from Salazar to Defenders of Wildlife Trust for this water right.

Regarding Stockpond No. 38-61136, please disregard the request to assign this water right made in my letter of 10 June 1988. It should not have been included since it is on property still owned by E. G. Salazar.

I have enclosed a check for $495.00 to cover the assignment of the water rights referenced in my earlier letter with the exception of the above-mentioned stockpond.

If you have any questions please call me at 628-7576. Thank you for your assistance.

Sincerely yours,

Douglas Koppinger
