

Civil Service Jobs Open At Fort Huachuca

Special to The Republic
BISBEE, April 23—As more soldiers come to Fort Huachuca every day, the Lowell Office of the Arizona State Employment Office has announced a group of trade and maintenance jobs to be filled there through civil service examinations.

Persons interested in taking the tests are asked to contact the Lowell office or any other employment service branch for further information. Dates for the examinations will be announced later. They will be given for the following positions:

Auto equipment repairmen, auto equipment upholsterer, central office equipment repairman, chauffeur, electrician, engineer equipment operator, engineer equipment repairman, firefighter (general), firefighter (driver-operator), boiler fireman, insect and rodent controller, laborer, electrical linemen, telephone linemen and operating engineers, painter, plumber, refrigeration equipment repairman, truck drivers, warehousemen, and water plant operators.
