SCHEDULE F-1 PART 2

INSTRUCTIONS - REPORTS OF DELIVERIES

Note: If any information pre-printed on this form is incorrect, please make the needed corrections.
For that information not already pre-printed on this form, please follow the directions below.

1. Enter owner or operator name and water right number, if not already shown, in box **1**.

A. Enter the residential deliveries for each housing type: single-family and multi-family aggregated by month.

Residential uses include all water delivered to residential customers, both interior and exterior water use, including water delivered to multi-family complexes through master-meters (does not include deliveries to recreational vehicle parks). "Single-family water use" means water provided to detached dwellings including separately metered mobile homes. "Multi-family water use" means water provided to housing units located in a residential structure that is characterized by having one or more common walls or is a mobile home in a master-metered complex.

B. Enter the non-residential deliveries for the categories: industrial, commercial, government, turf related facilities, other turf and other aggregated by month. Include unmetered deliveries in the other category and include a separate letter detailing how the volumes were calculated. Unmetered deliveries must be calculated in a generally accepted method for calculating water use.

Non-Residential water use includes all metered and unmetered water delivered to customers other than residential, including water delivered to turf related facilities. Do not include deliveries to irrigation rights or to other service area rights on this schedule (please use Schedule D). Do not include direct use effluent on this schedule (please use Part 3 of Schedule F-1). Please report the major categories of non-residential customers as coded in your billing system. We have listed categories that may be helpful to you. In order for Department staff to understand what types of users make up each category you report, if different than the one indicated, please attach a brief narrative describing the types of customers included in each major category listed.

2. Enter the total acre-feet delivered to single-family homes in box **2**, the total acre-feet of water delivered to multi-family homes in box **3**, the total acre-feet of water delivered to industry in box **4**, the total acre-feet of water delivered to commercial entities in box **5**, the total acre-feet of water delivered to government facilities in box **6**, the total acre-feet of water delivered to turf related facilities in box **7**, the total acre-feet of water delivered to other turf in box **8**, total acre-feet delivered to construction in box **9** and the total acre-feet of water delivered to other categories in box **10**.

3. Enter the total of all deliveries in box **11**.

4. Enter in boxes **12** through **20** the number of each type of connection served during the reporting year.

5. Enter in box **21** the total number of connections served during the reporting year.

Please contact the Annual Reports & Planning Section if you need assistance completing this form.
