

SCHEDULE I-1**INSTITUTIONAL PROVIDERS****ANNUAL REPORT 2015**

PROVIDER NAME

RIGHT/PERMIT NO.

Pursuant to the Third Management Plan, an Institutional Provider supplies more than 90 percent of their total water deliveries to non-residential water users including prisons, hospitals, military installations, airparks and schools. This form is included in your annual report because you applied for and were approved for regulation as an Institutional Provider during the second management period, and this status was continued into the third management period. Note that upon adoption of the Fourth Management Plan, your status as an Institutional Provider will terminate and you will be regulated under the Non-Per Capita Conservation Program. For more information about this change in your status, please contact the AMA Office at (602) 771-8585.

PART 1 - POPULATION

Total Committed Inmate Population	
Residential Staff Population	
Residential Staff Family Population	
Non-Residential Staff Population	
Estimated Visitor Population	
Average Duration of Visit	

PART 2 - DELIVERIES TO USER GROUPS

Indicate the total quantity of water delivered (both metered and unmetered) to each of the following user groups for calendar year 2015. If you do not use water for one or more of the user groups listed in the table below, or cannot separate the volume of water used by that group, leave that column blank and enter water delivered only for the groups for which you can provide data:

MONTH	RESIDENTIAL			NON-RESIDENTIAL			TOTAL (Acre-Feet)
	Single Family	Multi-Family	Group Quarters	Landscape	Turf	Other Non-Residential
