Seating Is Limited! R.S.V.P. CKLANE@AZWATER.GOV

ARIZONA WATER ATLAS

ADWR's Water Atlas team will discuss the significance of Arizona's first-ever water atlas, share the key findings they discovered and talk about the importance of the Water Atlas for Arizona's water future.

Also, attendees will get a preview of Atlas Volume 9, a state-wide water sustainability assessment. Hear why this work is now more important than ever in a time of future water uncertainty.
