

DRAFT White Paper Analysis Outline
Blue Ribbon Panel
July 30, 2010

1. Describe the existing situation or issue
2. Describe associated impediments to increased reuse
3. Describe the possible solution (e.g. policy/rule/legislation or guidance) that could be applied to remove impediments
4. Describe how the policy/rule/legislation or guidance could be administered (state, county, local, etc.)
5. Provide the recommendations including the associated cost of implementation and possible funding sources
