Committee onsite point of contact and contact info (cell phone number or room number) Plácido dos Santos

Arizona Contact: Plácido dos Santos – 520-289-0320 (cell phone)

Sonora Contact: Martín Mexia - 011-52-662-197-1435 (cell phone)

**Action Item #1**     New     Continued     Refined

Objective: To pursue consensus-based solutions to the complex ecological and water management issues along the Colorado River, the Water Committee will conduct an executive binational tour of infrastructure and sensitive habitats in the delta region including the Ciénega de Santa Clara.

Action Item Target Completion Date: November 30, 2007

Tactic A): Identify potential sponsors and key executive-level participants from Arizona and Sonora.

Responsible party (Arizona and Sonora): ADWR, SRP and CEA

Tactic Target Completion Date: June 30, 2007

Tactic B): Develop a 2-day itinerary and plan tour details accordingly.

Responsible party (Arizona and Sonora): ADWR, SRP and CEA

Tactic Target Completion Date: September 30, 2007

Sonora Contact: Martín Mexia - 011-52-662-197-1435 (cell phone)

**Action Item #2**  New  Continued  Refined

Objective: The Water Committee will request full federal appropriation of \$50 million over 10 years to implement the U.S.-Mexico Transboundary Aquifer Assessment Act of 2006. The studies authorized by this federal legislation on the San Pedro and Santa Cruz River Basins are essential to Arizona and Sonora due to the need for scientific information regarding these shared natural resources.

Action Item Target Completion Date: July 30, 2007

Tactic A): Develop a letter to appropriate U.S. Congressional representatives asking that they appropriate full funding for the Transboundary Aquifer Assessment Bill (Senate Bill 214 and House Resolution 469, of the 109<sup>th</sup> Congress) that was signed by President Bush on December 22, 2006.

Responsible party (Arizona): ADWR

Tactic Target Completion Date: July 30, 2007
