

Committee: WATER

Committee onsite point of contact and contact info (cell phone number or room number) Plácido dos Santos

Arizona Contact: Plácido dos Santos – 520-289-0320 (cell phone)

Sonora Contact: Martín Mexia - 011-52-662-197-1435 (cell phone)

Action Item #1 New Continued Refined

Objective: The AMC Water Committee will implement binational workshops to share Arizona and Sonoran experiences regarding the management of water supplies through such mechanisms as transfers, changes of use, and exchanges of water within each state. The workshops are intended to familiarize parties with water management techniques in each state allowing exploration of mutually-beneficial options in the Colorado River region

Action Item Target Completion Date: November 30, 2007

Tactic A): Organize an Arizona workshop for Sonoran water management colleagues.

Responsible party (Arizona and Sonora): ADWR, SRP and CEA

Tactic Target Completion Date: March 30, 2008

Tactic B): Organize a Sonoran workshop for Arizona water management colleagues.

Responsible party (Arizona and Sonora): ADWR, SRP and CEA

Tactic Target Completion Date: May 30, 2008

Committee: WATER

Arizona Contact: Plácido dos Santos – 520-289-0320 (cell phone)

Sonora Contact: Martín Mexia - 011-52-662-197-1435 (cell phone)

Action Item #2 New Continued Refined

Objective: The Water Committee will support and facilitate technical discussions with the Mexican National Water Commission (CONAGUA), the U.S. Geological Survey (USGS), the University of Arizona's Water Resources Research Center (UA WRRC) and other appropriate organizations in order to enhance collaboration for transboundary aquifer assessment studies of the San Pedro and Santa Cruz River Basins.

Action Item Target Completion Date: May 30, 2008

Tactic A): Organize technical workgroup meetings for the San Pedro River Basin and the Santa Cruz River Basin to explore the scope, geographical boundaries and possible participants in each of these hydrologic assessments.

Responsible party (Arizona): ADWR and CEA

Tactic Target Completion Date: May 30, 2008

Committee: WATER

Sonora Contact: Martín Mexia - 011-52-662-197-1435 (cell phone)

Action Item #3 New Continued Refined

Objective: To promote greater regional integration of hydrologic and water management expertise in the Arizona-Sonora region, the Water Committee will help facilitate exchanges of water-focused students, faculty and professionals between the two states.

Action Item Target Completion Date: May 30, 2008

Tactic A): Collaborate with the AMC Education Committee, universities, colleges and other institutions of higher learning in Arizona and Sonora to identify opportunities for the exchange of technical personnel on a pilot scale.

Responsible party (Arizona): ADWR, SRP, CEA, ITSON, ASU Polytechnic and Gateway Community College

Tactic Target Completion Date: May 30, 2008
