Subject: Garden Canyon Water Use

Mike/Dan - although I didn't find the exact e-mail that stated we weren't going to use any water from Garden Canyon anymore, I know the "policy" went into affect in 2000, no later than the fall of 2000.

The report, "Year 2000 Huachuca Water Umbel Monitoring and Inventory, Fort Huachuca and Sand Pedro Riparian NCA", dated March 2001, makes reference to the policy and not using any water from Garden Canyon.

I hope this helps.

Jim
