**TUCSON ACTIVE MANAGEMENT AREA  
APPLICATION FOR MODIFICATION OF LOW WATER USE/DROUGHT TOLERANT PLANT LIST**

1. Plant to be considered for (Circle One): Addition    Deletion  

<u>GENUS</u>	<u>SPECIES</u>	<u>CULTIVAR</u>	<u>COMMON NAME</u>
--------------	----------------	-----------------	--------------------

---
2. ATTACH A PICTURE OF THE PLANT (or refer to a commonly available plant guide) \_\_\_\_\_
3. Type of plant (may circle more than one): Tree    Shrub    Groundcover    Accent    Vine    Grass    Cactus    Succulent    Annual    Perennial
4. Is the plant a Sonoran or Chihuahuan desert native? If not, to what area or country of the world is it native? \_\_\_\_\_
5. Circle the range of **supplemental irrigation required** for the plant in terms of inches per year once established (minimum 2 growing seasons).  
If a plant requires more than 18" of irrigation annually it does not meet the requirements for addition to the ADWR plant list.  

5 - 9"
10 - 13"
14 - 18"
6. Circle the water requirement and growing season in the Tucson area of an established specimen of the plant for best appearance in terms of frequency of supplemental irrigation:  

Weekly	Twice Monthly	Monthly
Winter growing season	Summer growing season	
7. Hardiness in Tucson: Tender (severely damaged or killed by a hard frost)    Semi-hardy (some dieback in a hard frost)    Hardy
8. Light Requirements: Full Sun    Part Shade    Full Shade    Tolerates Reflected Heat
9. Does the plant spread by seed, sucker or other method to the point that it could be considered invasive?    Yes No Explain:  
\_\_\_\_\_
10. Is any portion of the plant toxic to humans or animals? Yes    No    If yes what part? \_\_\_\_\_
11. Is this plant known or suspected to be allergenic? Yes    No
12. Seasonal Color: Showy Flowers    Fall Color    Berries    Season: \_\_\_\_\_ Deciduous: Yes No
13. Describe your experience with growing the plant. How long has it been grown in the Tucson area? Where in Tucson is it growing? If a plant has not been successfully grown for at least 2-3 years in Tucson, it will not be considered for addition to the list.  
\_\_\_\_\_
14. Describe the growth habit, (size when mature and space requirements), plant propagation method(s), and the appropriate use of the plant:  
\_\_\_\_\_
15. Is the plant generally available? No    Yes    If yes, name at least one known source in the Tucson or Phoenix areas: \_\_\_\_\_
16. Describe why this plant should be added to or deleted from the low water use/drought tolerant plant list: \_\_\_\_\_
