# NOTICE OF INTENT TO DRILL AND ABANDON AN EXPLORATION/ SPECIALTY WELL APPLICATION CHECKLIST (DWR 55-43B)

<b>Applicant:</b>	<b>Date:</b>
-------------------	--------------

## NOTICE OF INTENT APPLICATION CHECKLIST

- This checklist is provided as a guideline for ADWR staff and the applicant in performing administrative and technical reviews of Notice of Intent (NOI) to Drill and Abandon an Exploration/Specialty Well applications. It is intended to address the majority of incomplete information submitted with NOI applications to ADWR, but not every possible variation, situation or requirement.
- This checklist does not supplant or supersede statutes, rules or substantive policy statements and is not intended to be binding on the applicant or ADWR staff.
- If the application does not include all major components the application may be returned, including fees (if submitted) to the applicant unprocessed.
- To schedule a NOI application meeting please contact the Groundwater Permitting and Wells Section at (602) 771-8527.
