

Meeting Notes

Regulations and Permitting Working Group

Blue Ribbon Panel on Water Sustainability

Wednesday, September 1, 2010, ADEQ, Phoenix, Room 250

1. Chair Ron Doba called the meeting to order at 10:05 am. The group went through brief introductions.
2. Ron discussed the issue ranking that took place by the Blue Ribbon Panel at their meeting on August 16th. Copies of the rankings were distributed to the participants.
3. Copies of the "White Paper" template were distributed to participants and discussed.
4. The group discussed how the completion of the "White Papers" should be accomplished. It indicated they wanted to complete them one at a time as a group, versus breaking up into individual groups and working on them simultaneously or having them worked on by the original subcommittee that came up with the issue.
5. The group proceeded to work on issues. Issues No.1, No.4, No.8, No.9, and No.11 were discussed and preliminary information was identified and inserted in the appropriate "White Papers." Ron will perform an initial edit on the papers and provide applicable rules and statutes to workgroup members for review prior to the next scheduled meeting.
6. The next meeting is scheduled for Thursday September 16th at ADEQ, room 3100B. The meeting will be from 10:00 am till 3:00 pm.
7. The meeting adjourned at approximately 3:00 pm.
