Bowie Az. Parcel 30203008A

04/08/2015

I bought this 80 acre parcel 09/08/2004, To be used as a part of my retirement.
I have been paying \$700 + property taxes each year plus \$2,000 to upgrade the road.
I am 76 years old and would like to sell the parcel. now I get this proposed INA notice.
I feel, At least one of the farmers that are proposing the INA should make a reasonable
offer to buy my parcel, as the land will lose value if the INA becomes law.
