Subject: Petition Against INA

To Whom it may Concern,

My name is Mark Wong and I am a land owner with property in Bowie, AZ (Parcel # 304-01-016) and am writing this with regard to the INA for the San Simon Valley Sub-basin that is being proposed. I strongly oppose this petition because it will depreciate the value of land in the area and discourage any further development in the area. I bought this land as a long term investment and plan on farming the land myself or selling it to a farmer who could use it as farmland. The INA would make it impossible to develop this land anymore and it will lower not only our property value and will affect many others as well. As one of the many concerned landowners who would be affected by this proposal, I thank you for taking your time to read my concerns.

Thank you,

Mark Wong
