Subject: strongly against the INA for the San Simon Valley Sub-basin

Dear jtrembly@azwater.gov,

My name is Jian Wu and I am a land owner with property in Bowie, AZ (Parcel # 301-01-004 , 004a, 004b, 009, 023, 024) am writing this in regards to the INA for the San Simon Valley Sub-basin that is being proposed. I am strongly against this petition because I believe it will depreciate the value of land in the area and also discourage any further development in the area. I bought this land as a long term investment and plan on farming the land myself or selling it to a farmer. We bought this land because it was farmland and it was made for farming. With an INA I don't believe I will be able to further develop this land anymore; it will lower not only our property value but many others as well. Thank you for taking your time to read my concerns.

Jian Wu

Thank you,
