IN Ref: to WATER Resources in San Simon Valley Sub-Basin, Public meeting Bowie High

I AM P.A. BARR owner of PROPERTY in YARADISE and other AREAS of Cochise County AZ. This includes WATER & MINERAL RIGHTS in PARADISE. This goes BACK to 1906, before AZ. WAS A STATE (2/14/1912) my PAPERS ARE signed by President Theodore Roosevelt AND Recorded in the General Land Office and in the Deeds of Mines Books.

We ARE for PROPERTY OWNERS RIGHTS.

We WANT the LAW passed in the 1980 Revised; CONCERNING the "5 YEAR" LAW, which condemned, SAYS if you don't use the WATER you lose it. This devalues the PROPERTY AND when A PROPERTY is devalued the STATE should compensate the OWNER who lost the water usage.

We just found out about this LAW, it should be REWRITTEN.

There is a GRANDFATHER LAW; Therefor if a PERSON's PROPERTY is before the LAW, they ARE exempt for that LAW or ORDINANCE.

You CAN'T write laws to KNOCK People out of or off of there property or usage without, just COMPENSATION.

I would like copies of the photoes TAKEN showing the CRACKS in the EARTH & SUNKEN in; in CERTAIN LOCATIONS, and if its in Cochise County.

We ARE hopeing you RECONSIDER the INA. AND do other INVESTIGATIONS FOR other WATER OWNERS. My OPINION CONCERNING "New Business" that CLEAR the LAND AND RAPE other PEOPLES RESOURCES is NOT in EVERYBODIES ELSES interests. EVERY LIVING THING will be IMPACTED by that; MAN, PLANTS, WATER, ANIMALS AND AIR. the LESS TREES the LESS OXYGEN.

If ANYONE COMES to the Bowie meeting that owns "Old WATER RIGHTS" to get with LIN/Shelby RAY with

Grace

Name and Address so we can get to-
gether on the water situation.

Enclosed papers supporting my statement.
Copies sent to Lin/Shelby Ray
with permission to speak on my
behalf at Bowie meeting "this is my
permission to speak on my behalf."
Thank you for your time in this
matter.

Very truly yours.

and bounded, described and platted as follows, with magnetic variation twelve degrees and thirty minutes east

Beginning at corner No. 1, a cedar post four inches square, marked 1-1967 P. C. L. in mound of stones, from which the north west corner of section nineteen in township seventeen north of range thirty one east, Gila and Salt River Meridian, bears north thirteen degrees and fifty four minutes east seven hundred and thirty-nine and seven tenths feet distant.

Thence, first course, south seventy-four degrees and twenty eight minutes east one thousand three hundred and ninety-two and two tenths feet to corner No. 2, an oak post four inches square, marked 2-1967 P. C. L., in mound of stones, from which said section corner bears north forty six degrees and fifty-one minutes west one thousand five hundred and ninety-five feet distant and discovery cut bears south eighty-five degrees and eleven minutes west seven hundred and forty-four feet distant

Thence, second course, south fifteen degrees and thirty two minutes west six hundred feet to corner No. 3, a cedar post four inches square, marked 3-1967 P. C. L., in mound of stones

Thence, third course, north seventy-four degrees and twenty eight minutes west one thousand three hundred and ninety two and two tenths feet to corner No. 4, a cedar post four inches square, marked 4-1967 P. C. L., in mound of stones

Thence, fourth course, north fifteen degrees and thirty two minutes east six hundred feet to corner No. 1, the place of beginning; said lot No. 1967 extending one thousand three hundred and ninety-two and two tenths feet in length along said Paradise Contact vein or lode and containing nineteen acres and one hundred and seventy-six thousandths of an acre of land, more or less.

Now, Know Ye, That there is therefore hereby granted by the United States unto the said Geo. A. Walker, and to his heirs and assigns, the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said Paradise Contact vein, lode or ledge, and of all other veins, lodes and ledges, throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said Lot No. 1967 extended downward vertically, although such veins, lodes or ledges may in their downward course may so far

depart from a perpendicular as to extend outside the vertical side lines of said premises: Provided, That the right of possession to such outside parts of said veins, lodes, or ledges, shall be confined to such portions thereof as lie between vertical planes drawn downwards through the end lines of said Lot No 1967 so continued in the same direction that such planes will intersect such exterior parts of said veins, lodes or ledges: And provided further, That nothing herein contained shall authorize the grantee herein to enter upon the surface of any claim owned or possessed by another.

To have and to hold said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging unto the said grantee above named, and to his heirs and assigns forever; subject nevertheless to the aforesaid and to the following conditions and stipulations.

First: That the premises hereby granted, with the exception of the surface, may be entered by the proprietor of any other vein, lode, or ledge, the top or apex of which lies outside of the boundary of said granted premises, should the same in its dip be found to penetrate, intersect, or extend into said premises for the purpose of extracting and removing the ore from such other vein, lode, or ledge.

Second. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local laws, customs and decisions of the courts. And there is reserved from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

Third. That in the absence of necessary legislation by Congress, the Legislature of Arizona may provide rules for working the mining claims or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

In Testimony Whereof, I Theodore Roosevelt, President of The United States of America, have caused these letters to be made patent, and the seal of the General Land Office to be hereunto affixed.
