Dear Sharon,

Please do not approve the San Simon INA. I will never be able to sell my property because anyone who buys it will not be able to use the water to grow anything. I know some of these folks that want the INA. I know the Cooks and that crook of a county supervisor Richard Searle. These people are just out to lock out competition to their farming operation. They only care about themselves. Do not be fooled.

Please do not approve the INA. I would rather see a new AMA created than have the INA.

Sincerely,

Grace E Carini
