Arizona Dept. of Water Resources (protesting proposed INA)

Supervisor Sharon Scantlebury

I Jeran Montierth represent Eight Mile Farm/Montierth Living Trust.

My "Family" has been farming in the San Simon & Gila Valleys for 3 generations. Over the years I have seen the water decline in the San Simon & Bowie area.

I have seen a need for sound and fair for all water conservation programs in this area
Long before FICO & A & p Growers came in to this area.

However I find it ironic that they would push this INA when they see other people moving
Into the area doing the same thing they have been doing for years.

(Clearing new land and drilling new wells 24 hours a day 7 days a week.)

Therefore I am protesting this proposed INA until a proposal is submitted that is fair for all
U.S.A. citizens.
