Rebecca,

Bonnie will re-send the link to you. BLM (1988) and Minckley, et al (1981) are part of the U.S. Phase II Initial Disclosures that you provided to me at the start of this work. (Note that Minckley 1921 is a typo; should be 1981). The correct citation for #3 is Montgomery and Buffington – I'll fix that in the final report. I've attached a copy of the basic report for Cook, et al. The actual map is a large file in GIS format that I actually got from Lucas. I can send it back to you, but it might be easier for you to just get it from him. Please let me know on that one.

Bob

Hi Bonnie,

It looks like we did not download this set of files you transferred to us (see below). The due-date to do so is tomorrow, however, Sharon is out of the office (and since they were sent to her, she is the only one able to download). I'm sorry for the hassle, but do you think you could resend these docs to me? I will send you a new invite to do so.

In reviewing Bob's report, we also need copies of:

- BLM, 1988. Assessment of Water Resources Conditions in Support of Instream Flow Water Rights for Aravaipa Creek, October, 11 p.

- Cook, J.P., Youberg, A., Pearthree, P.A., Onken, J.A., MacFarlane, B.J., Hadad, D.E., Bigio, E.R., and Kowler, A.L., 2009. Mapping of the Holocene River Alluvium Along the San Pedro River, Aravaipa Creek, and Bobocomari River in Southeastern Arizona, Arizona Geological Survey Digital Map RM-1, July.
- Montgomery, D.R. and Buffington, J.M., 1997. Channel-reach morphology in mountain drainage basins. Geological Society of America Bulletin, 109(5), 596-611. Bureau of Land Management (BLM), 1988. Assessment of Water Resource Conditions in Support of Instream Flow Water Rights for Aravaipa Creek, Safford District Office, 11 p. **Bob....in the text of the report this is cited as Buffington and Montgomery. Which way should it be listed as?**
- Minckley, W.L., 1921. Ecological Studies of Aravaipa Creek, Central Arizona, Relative to Past, Present, and Future Uses. Final Report, Contract No. YA-512-CT6-98, to U.S. Department of Interior, Bureau of Land Management, 246 p. **Bob....In your list of citations, you inadvertently have used 1921. Its supposed to be 1981. This was disclosed by the US, so we don't need a copy. I just want to clarify the date.**

Again, sorry for the trouble, Ill send the invite to send the docs now.

Thanks,
Rebecca
