**Re: Certificate of Assured Water Supply, Vista Verde Unit 1, lots 1-6, 44-51 & Tracts FF, JJ, KK, LL-PP, QQ & UU
DWR File No. 29-401799.0002**

Dear Ms. Van Quathem:

The Arizona Department of Water Resources (Department) has determined that the criteria for an Assured Water Supply pursuant to A.R.S. § 45-576 and A.A.C. R12-15-701 *et seq.* have been met, and therefore the Director has decided to issue Assured Water Supply Certificate No. 29-401799.0002. Rio Verde Utilities will provide the water supply to the lots. The source of supply will be commingled Central Arizona Project water and groundwater. Based on current information, the Department has determined that the subdivision's total projected demand is 608.75 acre-feet per year for 14 lots, and the groundwater allowance for the 100-year period is 2435 acre-feet. The Certificate is attached. The Department suggests you record your Certificate of Assured Water Supply in the appropriate county recorder's office. This will provide you with a permanent public record of the Certificate.

This determination is applicable only to the person or entity specified on the Certificate and for the plat reviewed by the Department. Information used in evaluating this application is available for review in the Department's files. Please contact us if questions arise.

Pursuant to A.R.S. § 41-1092.03, the Department is notifying you that the Director's determination and decision to issue the Certificate is an appealable agency action. You are entitled to appeal this action. If you wish to appeal this action, you must file a written appeal within thirty (30) days from receipt of this letter. I am providing you with a summary of the appeal process and an appeal form, should you elect to pursue this option.

Sincerely,
