RE: Review of Central Arizona Groundwater Replenishment District (CAGRDR) 2015 Plan of Operation

Dear President Atkins:

Pursuant to A.R.S. § 45-576.03(I), the Arizona Department of Water Resources (Department) has reviewed the CAGRDR 2015 Plan of Operation, and has determined that the CAGRDR has submitted sufficient information to the Department to determine whether its 2015 Plan of Operation is consistent with the management goal of each active management area. As required by A.R.S. § 45-576.03(J), the Department will publish notice requesting public comment concerning information supplied by the CAGRDR and setting a date and location of a public hearing in each active management area. We will notify you of the dates and locations of the public hearings when they are scheduled.

If you have any questions, please feel free to call Jeff Tannler at 602-771-8424.

Sincerely,
