

5MP Categories/BMPs Draft Version 2	Proposed changes from 4MP to 5MP Draft Version 1 are in standard font, Proposed changes from the 5MP Draft Version 1 to Version 2 (Current version) are italicized
Category 1: Education and Public Awareness	Combined 4MP Category 1: Public Awareness and Category 2: Conservation Education and Training
1.1 Local or Regional Conservation Campaign (1 point)	No changes
1.2 Special Events, Programs, and Community Presentations (1 point)	No changes
1.3 Residential Adult Education and/or Training Program (1 point)	No changes
1.4 Non-Residential Adult Education and/or Training Program (1 point)	<i>New</i>
1.5 Youth Education (1 point)	No changes
1.6 Xeriscape Demonstration Garden (1 point)	No changes
1.7 Industry and/or Regional Partnerships (2 points)	Moved this BMP from Category 7 because it's related more to public awareness than research
Category 2: Targeted Outreach and Consultation	Changed name from 4MP Category 3: Outreach Services
2.1 New Homeowner Outreach (1 point)	Changed name from New Homeowner Landscape Information and instead of sending a packet, this BMP starts with a phone call and the provider can send additional material if the customer requests. <i>Provider also informs customers about available and applicable rebates and/or incentives.</i>
2.2 Residential Audit and Landscape Consultation (1 point)	The Audit Program and Landscape Consultation BMPs were combined and then split into residential and non-residential
2.3 Non-Residential Audit and Landscape Consultation (1 point)	The Audit Program and Landscape Consultation BMPs were combined and then split into residential and non-residential
2.4 Residential Water Budget (1 point)	The Water Budgeting Program was split into residential and non-residential
2.5 Non-Residential Water Budget (1 point)	The Water Budgeting Program was split into residential and non-residential
2.6 Customer High Water-Use Inquiry Resolution (1 point)	No changes
2.7 Customer High Water-Use Notification (1 point)	No changes
Category 3: Physical System Evaluation and Improvement	No changes
3.1 Distribution System Leak Detection and Mitigation (2 point)	No changes
3.2 Meter Repair or Replacement (2 points)	No changes
3.3 Advanced Metering Infrastructure (AMI) Installation (2 points)	No changes
3.4 Advanced Metering Infrastructure (AMI) Maintenance and Utilization (1 point)	New BMP based that focuses on maintaining the AMI once installed. <i>Added requirement to report how the AMI data is being utilized.</i>
3.5 Approved Comprehensive Water System Audit Program (3 points)	No changes
Category 4: Sustainable Water Governance	Changed name from 4MP Category 5: Ordinances/Conditions of Service/Tariffs
4.1 Low-Water-Use Landscape Requirements (1 point)	Added reporting requirements

4.2 Water Tampering and/or Water Waste Prohibition (1 point)	Added reporting requirements
4.3 Plumbing Requirements (1 point)	Added reporting requirements
4.4 Water Feature Limitations (1 point)	Added reporting requirements
4.5 Water-Efficient Model Home Landscape Requirements (1 point)	Added reporting requirements
4.6 Graywater or Rainwater System Requirements (1 point)	Added reporting requirements
4.7 Water Intensive Commercial User Requirements (1 point)	Incorporated Conservation Requirements for Car Washes into this BMP so providers could target any of their commercial users. Added reporting requirements.
4.8 Landscape Watering Restrictions (1 point)	Added reporting requirements
4.9 Water-Efficient Hot Water Device or System Requirements (1 point)	Added reporting requirements
4.10 Retrofit on Resale (1 point)	Added reporting requirements
4.11 Non-Residential Landscape Water-Use Efficiency Standards (1 point)	Added reporting requirements
4.13 Conservation Rate Structure (1 point)	New BMP for implementing a rate structure that incentivizes conservation.
Category 5: Residential Conservation Incentives	Changed from 4MP Category 6: Rebates/Incentives . Instead of one category for residential and non-residential incentive BMPs, there are now two separate categories.
5.1 Residential Customer Assistance (1 point)	No changes
5.2 Residential Toilet Incentive (1 point)	Changed the BMP to be at least as efficient as EPA's WaterSense standards
5.3 Residential Smart Irrigation Technology Incentive (1 point)	No changes
5.4 Residential Water-Efficient Appliance Incentive (1 point)	Incorporated Rebate <i>Water-Efficient Hot Water Devices or Systems</i> and reduced point value to one.
5.5 Residential Graywater Incentive (1 point)	No changes
5.6 Residential Rainwater Harvesting Incentive (1 point)	No changes
5.7 Residential Xeriscape Installation and/or Conversion Incentive (2 points)	No changes. <i>Combined with Xeriscape in New Landscapes Incentive.</i>
Category 6: Non-Residential Conservation Incentives	Instead of one category for residential and non-residential incentive BMPs, there are now two separate categories.
6.1 Commercial and Industrial Customer Incentive (1 point)	No changes
6.2 Non-Residential Toilet and/or Urinal Incentive (1 point)	Changed the BMP to be at least as efficient as EPA's WaterSense standards and added urinals.
6.3 Non-Residential Smart Irrigation Technology Incentive (1 point)	No changes
6.4 Non-Residential Water-Efficient Appliance Incentive (1 point)	No changes
6.5 Non-Residential Graywater Incentive (1 point)	No changes
6.6 Non-Residential Rainwater Harvesting Incentive (1 point)	No changes
6.7 Non-Residential Xeriscape Installation and/or Conversion Incentive (2 points)	No changes. <i>Combined with Xeriscape in New Landscapes and Large Landscape Incentive.</i>
Category 7: Planning	New Category

7.1 Land Use Planning and Water Utility Coordination and Communication	New BMP
7.2 Staff Education or Training	New BMP
7.3 Non-Residential Water-Use Plan	New BMP
7.4 Integrated Long-Range Planning	New BMP
7.5 Conservation-Oriented Development	New BMP
7.6 Water Demand Adaptive Management and Shortage Response	New BMP - Removed at this time
7.7 Water Supply Diversity	New BMP - Removed at this time
7.8 Formalization of Water Efficiency Requirements	New BMP - Removed at this time
Category 8: Research, Analysis, and Innovation	Changed name from 4MP Category 7: Research/Innovation Program to include analysis.
8.1 Market Surveys and/or Focus Groups (2 points)	Added focus groups to this BMP
8.2 Research of a New Technology and/or Technique (2 points)	Increased points value to two
8.3 Pilot Plan Development for a New Technology and/or Technique (2 points)	Increased points value to two
8.4 Piloting a New Technology and/or Technique (2 points)	Increased points value to two
8.5 Quantitative Evaluation of Actual Water Savings of an Existing Best Management Practice (BMP) or of a New or Emerging Technology or Practice (2 points)	Increased points value to two. <i>Combined with "Analyzing a BMP for Actual Water Savings"</i>
