**SERVICE AREA BOUNDARY AND OPERATING DISTRIBUTION SYSTEM MAP**

Pursuant to A.R.S. §45-498 each city, town, private water company and irrigation district in an active management area shall maintain a current map clearly delineating its service area and distribution system in the director’s office and shall furnish such other related data as the director may require.

Please attach a map of the service area and operating distribution system or submit ArcGIS files to earp@azwater.gov. Your service area boundary is an area delineated as a 660-foot buffer around the exterior of your water lines. Your operating distribution system includes your water lines, wells, storage tanks, water treatment facilities, and related infrastructure used to treat and distribute water to your customers.

I certify that the above water used by \_\_\_\_\_ during the aforementioned period was used with the intent to develop a service area.

NOTICE

A.R.S. § 41-1030(B), (D), (E) and (F) provide as follows:

B. An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a licensing requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition.

D. This section may be enforced in a private civil action and relief may be awarded against the state. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section.

E. A state employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the agency’s adopted personnel policy.

F. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
