APPLICATION FOR WATER EXCHANGE PERMIT (A.R.S. § 45-1041)

The initial fee for a Water Exchange Permit is \$1,000. Total fees for this application are based upon an hourly billable rate of \$118.00. If the costs of reviewing your application exceed \$1,000, you will be invoiced for the difference, up to a maximum total fee of \$10,000. Payment may be made by cash, check, or credit card. If you would like to pay by credit card, please contact the AMA section at 602-771-8585. Checks should be made payable to the Arizona Department of Water Resources. In addition to the hourly application fee, the applicant must pay any review-related costs associated with the application and the actual cost of mailing or publishing any legal notice of the application or any notice of a pre-decision administrative hearing on the application. Review related costs are (1) costs associated with a pre-decision hearing on the application, such as court reporter services and facility rentals for the hearing, and (2) mileage expenses for a site visit conducted before issuing a decision on the application.

Failure to enclose the initial application fee will cause the application to be returned. Fees for a Water Exchange Permit are authorized by A.R.S. § 45-1041 and A.A.C. R12-15-103. Each party who seeks to give surface water, other than Colorado River Water, in the water exchange must file a separate application (i.e. Notice of Water Exchange).

Check One:

- Specific Use (allows parties to exchange specific sources in specific quantities for uses in specific locations).
- General Use (two or more political subdivisions or one or more political and one or more private water companies or Indian communities).
